

# GammaSeries

 IP Video Surveillance Certified Global OEM

1U Rack-Mount Workstation

Part Number—BCD320R-SDS-M-WS

## Key Features

- Supports up to Four Monitors
- Intel E3 Processor
- 15" Depth
- 5 Year NBD On-site Warranty

Four advantages over traditional business PCs are shared across the entire Gamma Workstation family, with entry price-points rivaling traditional PCs and performance that begins where PCs leave off:

- **Greater performance**—advanced processors (processors with quad- and six-core technology/up to 12 cores), professional 2D/3D graphics, high-speed storage and engineering innovations that take whole-system performance to new levels
- **Greater reliability**—HP Performance Advisor software, application optimization and certifications, along with features such as ECC memory, that optimize and deliver more reliable application performance
- **Greater expandability**—capacity for more peripherals, larger memory, quad graphic adapters, and faster I/O interfaces pack more capability in a space- and energy-efficient footprint
- **Greater productivity**—ease of service features like tool-free chassis that enable greater productivity for individuals, teams, and organizations
- Workstations are designed to run in 24x7x365 environments, unlike even business-class PCs

**System Specifications** – BCD320R-SDS-M-WS includes the following components. Hard drives must be selected separately. See Options section

<b>Processor</b>	Intel Xeon E3-1265L V3 Processor	<b>Form Factor</b>	1U Rack-Mount
<b>Single Processor Passmark</b>	8859	<b>Hard Drive Bays</b>	2 Bays
<b>RAM</b>	4GB (Upgradeable to 32GB)	<b>Hard Drive Protection</b>	RAID 0 or 1
<b>Audio</b>	Sound Card	<b>Graphics</b>	VGA
<b>Operating System</b>	Microsoft Server 2012 R2	<b>SMARTControl Management</b>	Embedded
<b>Dimensions (W x H x D)</b>	17.1" W x 1.7" H x 15.1" D	<b>Weight</b>	18.6lbs
<b>Power Supply</b>	(1) 320 Watt Power Supply	<b>Power Input Requirements</b>	100 to 127 VAC 200 to 240 VAC
<b>Total System VA Rating</b>	188VA	<b>Total System BTU HR</b>	485 BTU
<b>Total Wattage Draw</b>	175W	<b>Warranty</b>	Lifetime Phone Support 5-Year Global NBD On-site

## About BCDVideo

Founded in 1999 and headquartered in Chicago, USA, BCDVideo is a global manufacturer of purpose-built IP Video Recorders. BCDVideo is HP's global OEM Partner for IP Video Security and excels in providing IP security storage and intelligent network solutions to the security integrator community. With a global footprint of successful installations, the company prides itself on providing first-rate customer service, delivery, and support. To learn more about our project-guaranteed video platform, please visit [www.bcdvideo.com](http://www.bcdvideo.com).
