

# DO ME BRACKETS

Charles Grant produces a range of brackets to suit all internal and external dome positioning applications. The standard range consists of wall, corner, pole, roof and ceiling mount brackets. Constructed of aluminium alloy with Polyester powder coat finish, these brackets guarantee a durable good appearance.

### KEY FEATURES

- Suitable for both indoor and outdoor use
- All brackets support full cable management
- Brackets support the PAN850 push and turn mounting mechanism
- Light weight but strong
- Non-corrosive
- Durable

- Standard colour: RAL 9010 cream matt

### BUILD QUALITY

- Made from aluminium
- Pre-treated before Polyester powder coated

### OPTIONAL

- Architectural colour matching

### Wall mount swan neck bracket - BSN.WM

#### Proven design:

Swan neck shape prevents moisture travelling through the bracket into the housing.

May also be corner mounted using CMA1 corner mount adaptors.

Dimensions (mm):  
Offset 345  
Height 490  
Weight: 1.0kg  
Maximum load: 18kg

### Wall mount designer bracket - BWE.800

NEW

Made of cast aluminium

Shape prevents moisture travelling through the bracket into the housing.

May also be corner mounted using the CMA4 corner mount adaptor.

Dimensions (mm):  
Offset 345  
Height 300  
Width 160  
Weight: 2.7  
Maximum load: 22kg

### Pole mount swan neck bracket - BSN.PM

#### Proven design:

Swan neck shape prevents moisture travelling through the bracket into the housing.

This bracket is suitable for pole or roof mounting.

Dimensions (mm):  
Offset 245  
Height 700  
Weight: 1.0kg  
Maximum load: 18kg

### Wall mount bracket - BSN.SM2

Dimensions (mm):  
Offset 300  
Height 230  
Weight: 0.7kg  
Maximum load: 15kg

### Ceiling / canopy mount brackets - BCM range

The standard ceiling mount bracket range offers vertical drops of just 55mm to a maximum of nearly 2 meter, while the brackets themselves are adjustable for accurate camera positioning.

The mounting base is made of mild steel while the pole itself is of aluminium alloy.

Maximum load: 15kg.

Part No.	Product description	Drop (mm) Min - max	Weight
BCM.F1	Ceiling mount flush	55 (fixed)	0.3 kg
