

PTB-1108F13

Article-No.: 204419

Thermal Imaging Network
Camera, 336x256, 8 Hz, USB,
Analogue, 13mm, 12/24V, PoE

Mainfeatures

Thermal camera with Ethernet and Composite Video out
13mm lens
Exclusive design for indoor and outdoor applications IP67
Bullet housing for ceiling and wall mounting
Easy installation, central locking screw

Resolution 336x256 Pixel, 8 Hz
Easy handling, USB and RS-422 remote interface
Compression standards: H.264/MJPEG
Covered cabling
Flexible power supply 12VDC, 24VAC or PoE

Specifications

Series	eneo Candid Medium
System	thermal image
Resolution pixels	336x256
Image transmission rate max.	8 fps
Spectral area	7,5 μm - 13,5 μm
Vertical angle of view	19°
Horizontal angle of view	25°
Thermal sensitivity	50 mK
Detection range	440m
Serial interfaces	Man, 1340m, Vehicle
Video outputs	RS-422, USB, Ethernet
Alarm inputs	composite (CVBS)
Audio support	no
Activity detection	no
Compression standard	yes
Internal storage	H.264, M-JPEG
	no

Specifications (continued)

Lens type	fixed focal length
Focal length	13 mm
Housing	outdoor
Colour (housing)	Pantone 7541
Housing material	aluminium
Sunshield	yes
Mounting	wall mount, ceiling mount
Protection rating	IP67
Vandalism resistant	no
Management Software Support	Zelaris
Supply voltage	12VDC, 24VAC, PoE (IEEE-802.3af)
Power over Ethernet	yes
Power consumption	12W
Temperature range (operation)	-35°C ~ +50°C
ONVIF	yes, ONVIF Test Tool Version 11.12
Parts supplied	manual, Zelaris Elements Software, screw set, allen key, mounting plate, Video sub-out cable, USB connection cable upon request
SDK	

Optional Accessories

Image	Artikel-Nr. / Typ	Description
	VT-PS12DC-11	Plug-in Power Supply Unit, 100-240VAC/12VDC (1.0A), Regulated, with DC Plug
	PM-42A	Pole mount adaptor for eneo Candid, Candid S, Candid M Candid L, W3, WB1 wall mount
	ZELARIS ELEMENTS	Video Management Software, for eneo IP Cameras, max 16 cameras
	AK-4	Camera junction box, for Candid Small, Candid Medium, Candid Large Series
