

AE-237

Outdoor Enclosure with
Optional Fiber Media Converter

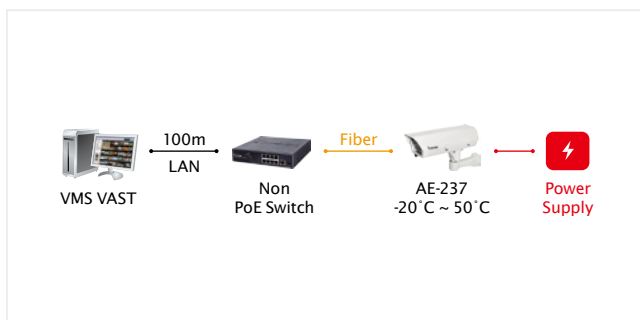

IP66 · IK10 · Easy Installation ·
Optional Fiber Media Converter Support

VIVOTEK AE-237 is an outdoor enclosure, featuring IP66-rated housing to help the enclosure withstand rain and dust and high pressure water jets from any direction while its IK10-rated housing can provide the protection against the vandal act and impact.

In addition, AE-237 is also compatible with VIVOTEK fiber media converters, AW-IHS-0200 and AW-IHS-0201, for long-range Ethernet connection options.
